

NEW Bamboo Range

An interdental brush with minimal plastic waste, sustainably sourced and 97% biodegradable.

STRAIGHT Piksters

100%
recycled
biodegradable
packaging.

Exactly the
same head
size, bristles
and wire as
conventional
plastic
Piksters.

NEW RIGHT ANGLE Piksters

Variety 4 pack
Sizes 00, 1, 3, 5.

6 pack Sizes 00, 1, 3, 5.

Biodegradable
and sustainably
grown bamboo
handle.

100%
recycled
biodegradable
packaging.

NEW Bamboo Classic[®] Toothbrush

Contains up
to 96% less
plastic
than traditional
toothbrushes.

At last a patient giveaway
toothbrush with a
biodegradable handle at
an affordable price.

Each year millions of toothbrushes
end up in landfill or in our oceans
- and never break down. Choose a
bamboo handle, the eco-friendly
alternative, completely
biodegradable and compostable.

The packaging is also 100%
biodegradable, made from
recyclable compostable
cardboard, soy based inks.

Also
available in
kids size.

Adult Bamboo
Classic Toothbrush
